Dear Intermountain USTA-

It is my pleasure to write a letter of recommendation for Andras Cruz-Aedo. I have know Andras for the past 8 years, I have observed him play tournaments, trained him on court and watched him interact with my two oldest kids. He is always the happiest, sweetest, inspirational young person in the group. Young people will be very attracted to him as he is a natural born leader. I started coaching Division I tennis at 23 so I have always given certain young people that are ready a chance at a young age, I believe Andras is that person. He has coached and been in charge of tennis groups already and I believe he is ready for this challenge. He understands that giving back and leading young people are the most important things in life, I do believe this is one of those opportunities that will change people's lives.

If you have any questions, please feel free to contact me at sctennis@usc.edu or my cell phone [REDACTED]

Sincerely,
